Respected Sir/Madam,

Greetings from India Space Academy, New Delhi.

We are pleased to inform you that India Space Academy is organizing the "Entrepreneurship & Startup Training Program 2026", a national-level online training initiative aimed at promoting innovation, entrepreneurship, leadership, and start-up culture among students, research scholars, faculty members, and young professionals across India.

The program has been specially designed in alignment with the vision of **Hon'ble Prime Minister Shri Narendra Modi ji to strengthen India's start-up ecosystem** through innovation, self-reliance, and skill development. Participants will receive practical exposure to entrepreneurship, business planning, branding, funding opportunities, market analysis, and digital business strategies through expert-led sessions and project-based learning.

### Program Highlights:

- **Duration:** 2nd July to 23rd July 2026 (3 Weeks)
- **Mode:** Online
- **Eligibility:** UG/PG/PhD Students, Research Scholars, Faculty & Professionals
- **Certification:** 3-Week Training Certificate
- **Training Fees:** ₹1250/- (Non-refundable)

### The training includes:

- 2 Weeks of theoretical and practical online sessions
- Interaction with industry experts, Shark Tank India featured founders, CEOs, investors, incubators, and digital marketing professionals
- 1 Week project phase with practical assignments and real-world business

problem-solving activities

**Registration Details:**

- **Registration Start Date:** 26th May 2026
- **Registration Last Date:** 27th June 2026
- **Registration Link:** <https://training.isa.ac.in/entrepreneurship>

In this regard, we sincerely request your esteemed institution to kindly circulate the attached brochure/circular among students, faculty members, departments, incubation centers, and innovation cells, and **also publish the information on your official website and social media platforms for maximum participation.**

Your support and cooperation in promoting this academic and skill development initiative will help students and faculty gain valuable entrepreneurial exposure and industry-oriented learning opportunities.

For any further information or coordination, please feel free to contact us.
