ONE DAY NATIONAL CONFERENCE ON

ADVANCED MATERIALS, DEVICES & TECHNOLOGIES (NCAMDT-2026)

3rd AUGUST, 2026

Organized by
DEPARTMENT OF PHYSICS
SRI VENKATESWARA UNIVERSITY
Tirupati – 517 502, A.P., INDIA

Objectives of NCAMDT - 2026

The Department of Physics, Sri Venkateswara University is organizing a One Day National Conference on Advanced Materials, Devices and Technologies (NCAMDT-2026) on 3rd August, 2026. NCAMDT-2026 covers the latest development of advanced materials, devices and technologies that will impact almost every area of science and technology. The main objective of the conference is to bring together scientists and engineers from academia, national laboratories and industries to discuss recent developments in advanced materials, devices and technologies and also to explore possibilities for collaborative efforts in solving emerging problems in the following areas:

1. Semiconductor materials and devices
2. Functional Materials for Energy Harvesting and Storage
3. Photonic materials and optoelectronic Devices
4. Magnetic Materials and Spintronics
5. Advanced coating techniques and Thinfilms
6. Polymers and organic materials
7. Ceramics, dielectrics and ferroelectrics
8. Functional Biomaterials
9. Smart Materials and Responsive materials
10. Carbon materials and Devices
11. Nanomaterials and Nanoelectronics
12. Solid state ionic materials and Devices
13. Materials for space applications
14. NEMS and MEMS

**The conference will be held
in HYBRID MODE.**

Instructions for preparing the Abstracts

A soft copy of the abstract (s) of the paper (s) may be submitted/e-mailed to the Organizing Secretary, NCAMDT-2026 on or before 27th July, 2026.

Abstracts may be confined to a vertical rectangle of dimensions 16 cm x 23 cm on a good A4 size paper in camera ready format. The title should be typed in capital letters and centred. The authors name and affiliation may follow the title. The name of the author presenting the paper should be underlined. The text in Times New Roman of Font size 12 may start after a gap of one single line spacing. Laser printer may be used. All the abstracts accepted for presentation at NCAMDT-2026 will be printed directly in the abstracts booklet or copied in a CD. Efforts will be made to publish the papers in conference proceedings with ISBN Number.

ABOUT THE PHYSICS DEPARTMENT

Physics Department was established in 1954 and was one of the six founder departments of Sri Venkateswara University. The department is presently offering M.Sc. Physics and M.Sc. Electronics courses along with Ph.D. program. The great founders have made the department vibrant to the needs of the society and active research work is being pursued in the areas of Applied Spectroscopy, Condensed Matter Physics, Electronics, Nanomaterials, Photonics, Solar Energy Physics, Thin Film Physics and Atmospheric Physics.

The Department has several research projects funded by UGC, CSIR, DST, MNES, ISRO, BRNS, DRDO, etc. The department has received funding via UGC-CAS, COSIST, DSA, and DST FIST programmes for major infrastructure development.

IMPORTANT DATES

Last Date for abstracts	: 27.07.2026
Intimation of acceptance	: 28.07.2026
Submission of Registration with payment	: 31.07.2026

About Tirupati

Tirupati is a famous temple town surrounded by other interesting places like Tirumala (Balaji Temple), Srinivasa Mangapuram, Chandragiri Fort, Kanipakam, Tiruchanur, Sri Kalahasti, etc. Tirupati is well connected by road and rail from all over India. Air services are available from Hyderabad, New Delhi, Bangalore, Chennai and Vijayawada.

Accommodation

No accommodation will be provided in the University Guest House. Participants are requested to book their accommodation through on line using the links
