

SRI VENKATESWARA UNIVERSITY

Centre of Excellence (CoE)

Psychological & Bio-Social Factors (RUSA-2.0)

DEPARTMENT OF HOME SCIENCE

RUSA

Rashtriya Uchchatar Shiksha Abhiyan

International Conference on

NUTRI-TECH 2026

**Smart & Sustainable Food Technologies for
Precision Nutrition and Global Health**

CONVENER

Prof. K.V. Sucharitha

Head, Department of Home Science

Coordinator-I, RUSA-2.0, SVU.

email. id: suchivenkataresearch@gmail.com

Mobile No: 9949762746

Date: 24 to 25 July 2026

Time: 10:00 AM – 5:00 PM

**Venue: Senate Hall,
Sri Venkateswara University, Tirupati**

Be Part of a global platform to innovate, collaborate & impact the future nutrition

University Dignitaries

CHIEF PATRON

Prof. Tata Narasinga Rao
Vice-Chancellor
Sri Venkateswara University

PATRON

Prof. C.H. Appa Rao
Rector
Sri Venkateswara University

PATRON

Prof. M. Bhupathi Naidu
Registrar
Sri Venkateswara University

PRINCIPAL

Prof. V. Padmavathi
Principal, College of Sciences
Sri Venkateswara University

CONVENER

Prof. K.V. Sucharitha
Head, Department of Home Science
Coordinator-I, RUSA-2.0
Sri Venkateswara University

Lavanya Reddivari

Professor of Food Science
Purdue University, USA.

Dr. Subba Rao M Gavaravarapu

Ph.D, FNAAS, FRSPH, Scientist-G &
Head, (NICHE)
National Institute of Nutrition (NIN),
Hyderabad.

Dr. Sudheer Kumar Yannam

Senior Scientist
Central Food Technological
Research Institute, Mysore.

Dr K. Rajagopal

Chief Scientist, Department of
Biochemistry
CSIR- Central Food Technological
Research Institute, Mysore.

Dr. Srinivas

Professor in Food Processing
Engineering Indian Institute of
Technology IIT Kharagpur.

ADVISORY COMMITTEE

Prof. R.K Anuradha
Prof. K. Anuradha
Prof. K. Manjula
Dr. B. Swaroopa Rani

ORGANIZING COMMITTEE

Dr. B. Kalyani
Dr. Sindhuja
Dr. D. Jhansi
Dr. Y.B. Bhagath

ORGANIZING MEMBERS

I. Vanaja
C. Kalpana
K. Durga Sri Deepthi
J.S. Dhakshayini

About Sri Venkateswara University (SVU):

Sri Venkateswara University (SVU), established in **1954** at Tirupati, Andhra Pradesh, is a premier public university known for excellence in education, research, and innovation. Accredited with **NAAC 'A+' Grade (2023)**, SVU offers diverse postgraduate and research programs while promoting academic excellence and community engagement.

About Department of Home Science:

The Department of Home Science, established in **1963** by Canadian scientist **Ms. Dorothy M. Pearson**, is a multidisciplinary department offering M.Sc. programs in Food Science, Nutrition & Dietetics, Human Development & Child Welfare, Extension Management & Communication Technology, Food Technology (Self-Supporting), along with Ph.D. and Post-Doctoral (PDF) programmes. The department is committed to excellence in teaching, research, extension, and community outreach, fostering innovation for sustainable development and societal well-being.

About RUSA CoE:

The **Centre of Excellence (CoE) – Psychological & Bio-Social Factors (RUSA 2.0)** at Sri Venkateswara University promotes interdisciplinary research, innovation, and capacity building to address psychological, biological, and social determinants of health. Equipped with advanced infrastructure, the Centre fosters academic excellence, knowledge dissemination, and community engagement, contributing to sustainable development and societal well-being.

About the Conference:

NUTRI TECH 2026 is an **International Conference** that brings together researchers, academicians, industry experts, and students to explore advances in food science, nutrition, and sustainable technologies. Under the theme **“Smart & Sustainable Food Technologies for Precision Nutrition and Global Health,”** the conference features keynote lectures, technical sessions, oral and poster presentations, and networking opportunities to foster innovation and collaboration.

Program Highlights:

- Keynote lectures by Eminent Experts.
- Oral & poster presentations.
- Publication opportunities in indexed journals.
- Interactive panel discussions.
- Participation certificates for all participants.

Objectives:

- To provide a global platform for exchanging innovative ideas in food science, nutrition and technology.
- To explore Smart & Sustainable Food Technologies for Precision Nutrition and Global Health.
- To promote interdisciplinary collaboration among academia, industry, and research institutions.

Key Themes:

- Nutrigenomics and Nutrigenetics.
- Precision Health Approaches for Disease Prevention.
- Innovative And Non-Thermal Food Processing Techniques.
- Sustainable Food Production Systems & Smart Food Processing Techniques.
- Functional Foods & Nutraceuticals in Food Science.
- Global Health & Nutrition Security.

Abstract Guidelines:

Abstracts must present original and unpublished work and should be written in English with a word limit of **250–300 words**. Submissions should be prepared in **MS Word (.doc/.docx)** using **Times New Roman font**. The title should be in **14 pt, bold**, author name(s) in **12 pt, bold**, affiliation and e-mail ID in **12 pt, regular**, and the body text in **12 pt**.

Poster Guidelines:

Posters must be in English, with a title identical to the submitted abstract. The presenting author's name should be bold and underlined. Posters should be **90 × 120 cm (portrait)** and include clear visuals such as photographs, diagrams, or tables. Presenters are responsible for mounting and removing their posters, while display materials will be provided by the organizers. Posters must be displayed at least one hour before the scheduled presentation.

Oral Presentation Guidelines:

10 to 15 minutes oral presentation on your research.

Important dates:

- Last date for registration: **23.07.2026**
- Last date for Abstract & Poster Presentation: **20.07.2026**
- International conference dates: **24.07.2026 to 25.07.2026**
