

Theme of the Conference

This conference is aimed to provide platform to explore the innovative ideas of Research scholars, Computer Science & Engineering students and Academicians in different research areas.

- To develop computational thinking using Machine Learning algorithms to explore the Artificial Intelligence applications and also to the increase the expectations for automation systems that exhibit human intelligence.
- To enrich how to use Machine Learning algorithms for various computational applications for modelling of data analysis, visualization or prediction through the development of Machine Learning algorithms.
- And also to obtain deep insights of Artificial Intelligence and Machine Learning algorithms to deal with computational and mathematical approaches for understanding and processing of data.

Conference Topics

- Data Mining
- Machine Learning and Statistical Methods
- Genetic Algorithms
- BigData Analytics
- Evolutionary Algorithms....

And any other domain related topics of the conference objective

Call for Papers and Important Dates

We encourage Students, Researchers and Academicians to submit their best work in AI and Computational Thinking and to attend in order to discuss the latest theories.

- Last Date for Submission : 20th April, 2022 extended upto 28th April, 2022
- Author Notification : 30th April, 2022
- Camera Ready Paper : 03th May, 2022
- Conference Dates : 6-7th May, 2022

Registration Fee Details

- Student Registration: 1500/-
- Research Scholar : 2000/-
- Academician : 2500/-

National Conference on “MACHINE LEARNING & COMPUTING APPLICATIONS” On 6th & 7th May, 2022

Organized

by

DEPARTMENT OF COMPUTER SCIENCE

SRI VENKATESWARA UNIVERSITY

(Accredited by NAAC with 'A+' Grade)

S.V.U. College of CM & CS
