About the International Conference

In the year 2001, The United Nations Educational, Scientific and Cultural Organization (UNESCO) adopted the 'Universal Declaration on Cultural Diversity' as a result of the destruction of the Buddha statues of Bamiyan in Afghanistan 2001. Then in December 2002, the UN General Assembly (UNGA) in its resolution 57/249, declared 21 May to be World Day for Cultural Diversity for Dialogue and Development. World Day for Cultural

Diversity for Dialogue and Development is observed globally on 21 May every year. The day aims to celebrate the richness of the world's cultures and highlight the significance of its diversity as an agent of inclusion and positive change for achieving peace and sustainable development. The main objective of the conference is to sensitize students, scholars, teachers, administrators and policymakers to understand cultural diversity for a happy and healthy life.
