

### **Advisory Committee Meeting**

#### **Agenda:**

1. Quality initiatives for the academic year 2021-22:
  - Enlightening students about the National Education Policy 2020 initiated by the MHRD, Govt. of India.
  - Inculcating self-learning attitude in students and enhancing their interest towards their concerned subjects.
  - Encourage faculty members to enhance their knowledge base by permitting them to attend more number of FDPs/seminars/ workshops.
  - Arranging training for the supporting staff in their concerned sections to improve their technical skills and technical knowhow.
  - Encouraging industry-oriented projects/research.
  - Encouraging scholars to publish articles in SCI/WoS journals only.
2. Implementation of Enterprise Resource Planning software
  - Large data is to be collected from different departments/sections and secured properly.
  - The data is to be furnished in different formats for external departments/agencies.
  - Either recruiting staff having the knowledge on DBMS/Programming/ Network Security/Analysis or obtaining software from external agency.
3. Suggestions are sought with respect to conduct of Examinations and publication of results in shortest possible time.

4. Implementation of Information and Communication Technology (ICT) tools for effective teaching, learning and research activities.

- Enlightening the Faculty Members about the Digital initiatives of MHRD and ICT tools for effective teaching.
- Training UG/PG students to make them acquaint with modern ICT tools for effective learning and productive thinking.
- Training Research Scholars for effective usage of ICT tools for carrying out technology based socially relevant research and publish articles in renowned SCI/WoS journals.

5. Suggestions sought with regard to introduction of need based and skill-based courses under distance learning program

6. Any other item with the permission of the Chair.

Date: 22-03-2021
