Program-1:

An Awareness Program on POs, PSOs and COs

Photo-1: Addressing the Dept. of Commerce faculty members by Prof. T.Gowri Manohar, Director, IQAC

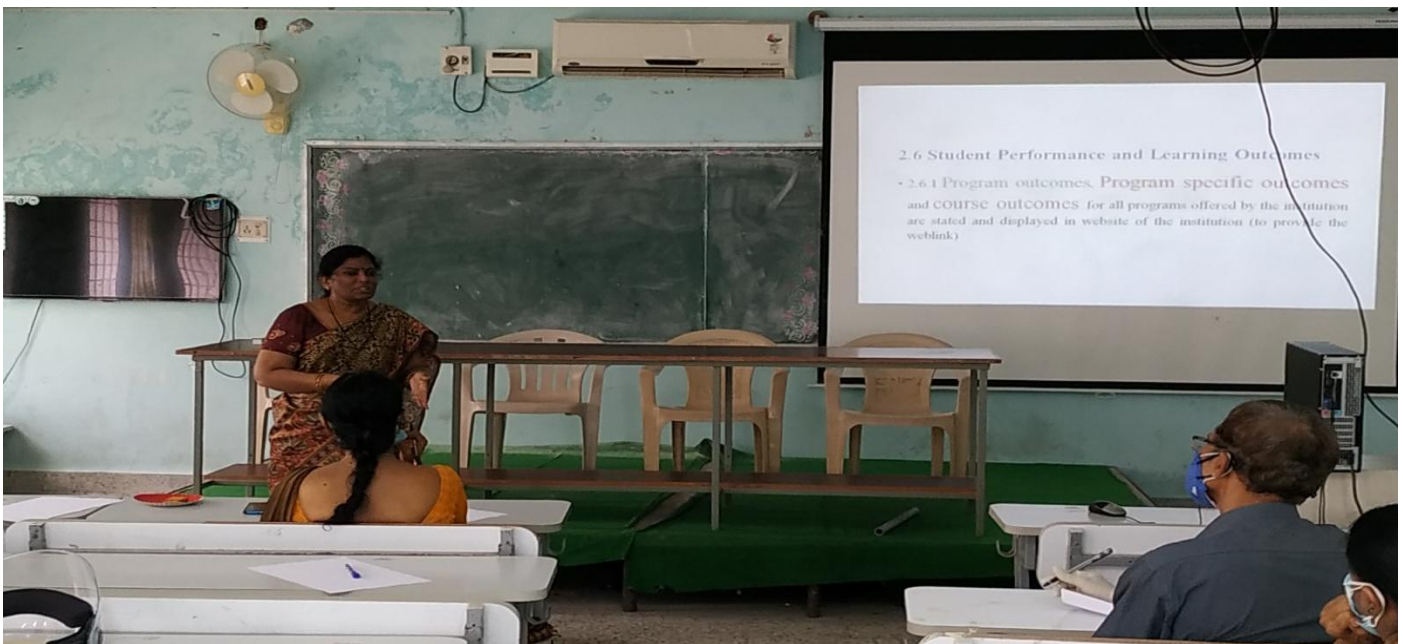

Photo-2: Presentation by Prof. T.Ramashri, HoD, ECE

Photo-3: Addressing the College of Sciences faculty members by Prof. T.Gowri Manohar, Director, IQAC

Photo-4: Presentation by Prof. T.Ramashri for College of Sciences Faculty Memebers

Summary:

An awareness program on POs, PSOs & COs and new NAAC guidelines had been conducted for the faculty members of College of Arts, Sciences and CMCS on 8th July, 14th July and 15th July, 2021 (3 days). Prof. T. Gowri Manohar, Director, IQAC addressed the gathering of faculty memebers of various departments and made important notice regarding new NAAC guidelines and Prof. T.Ramashri, HoD of ECE, presented about outcome based education and formulation of POs, PSOs & COs w.r.t. graduate attributes to all the faculty members.

Program-2:

A Webinar on “Introduction to Intellectual Property” on 27th July, 2021

PURDUE UNIVERSITY | **SRI VENKATESWARA UNIVERSITY**

Purdue University in partnership with IQAC, Sri Venkateswara University through the RUSA program presents

"INTRODUCTION TO INTELLECTUAL PROPERTY"

Resource Person
Dr. DHR SARMA
Dr. Sarma is Director of IP Protection Process at the Office of Technology Commercialization at Purdue Research Foundation. He earned his B.E. degree in Metallurgical Engineering from IISc, Bangalore, Master's degree in Metallurgical Engineering and his PhD in Materials Engineering from Purdue University. He is also a Visiting Professor of Mechanical Engineering at Purdue University.

Dr. Sarma is a Registered Patent Practitioner with the United States Patent and Trademark Office (USPTO). His work at PRF included drafting and prosecuting patent applications for Purdue faculty. He has over 30 years of manufacturing and R&D experience in the Automotive Electronics Industry. Sarma holds 60 U.S. patents and has many publications in prestigious journals. He is co-author of a textbook on Fundamentals of Microelectronics Packaging. His many honors include: two Boss Kettering Awards, highest engineering honor for patented inventions from GM/Delphi; Outstanding Materials Engineer (Purdue University); Extractive Metallurgy Science Best Paper Gold Medal (AMIE); and several best paper awards.

Chief Guest
Prof. K. Raja Reddy
Vice-Chancellor

Guest of Honour
Prof. G. M. Sundaravalli
Rector

Photo-1: Webinar Flyer

Summary:

Purdue University, USA in partnership with IQAC, S V University through the RUSA Program jointly conducted webinar series on intellectual property rights and entrepreneurship to the faculty members and research scholars. As a part of this, 1st webinar on “Introduction To Intellectual Property” was conducted on 27th July, 2021 through online mode. Prof. S. Vijaya Bhaskar Rao, Dean, R & D, S V Univeristy and Prof. T.Gowri Manohar, Director, IQAC addressed the webinar participants. Dr. DHR Sarma, Director of IP Protection Process, Purdue Univeristy was the resource person. This lecture had described the fundamentals of intellectual property in general and patents in particular.

Program-3:

A Webinar on
“Introduction to the Fire Starter Entrepreneurship Training”
on
3rd August, 2021

**Purdue University in partnership with
Sri Venkateswara University
Through the RUSA program
Presents**

AN INTRODUCTION TO THE “FIRESTARTER” ENTREPRENEURSHIP TRAINING

Tuesday, August 3 5:00-6:30pm IST

 Bill Arnold is Assistant Vice President of Purdue Research Foundation and the Managing Director of the Purdue Foundry, responsible for all Foundry activities related to formation and growth of startups based on Purdue technologies. Prior to joining the Foundry, Arnold served in multiple executive management roles, primarily in the financial services vertical. His most recent role was Chief Executive Officer at Member Support Services LLC, a startup in Cranbury NJ. His first startup was formed in 1995 and had a successful exit in 1997. He holds a master's degree in artificial intelligence from the University of Georgia.

 Jason Salstrom is Managing Director of Purdue Foundry Consulting and Director of Purdue Foundry, WestGate. Jason joined the Purdue Research Foundation in August of 2017 to launch Purdue@Westgate, at the Westgate@Crane Technology Park. This followed leading the Technology Commercialization Academy and launching the Eagle Innovation Accelerator at University of Southern Indiana. Jason brings startup experience in the United States and Israel. Jason holds a PhD from Tel Aviv University.

Supported by IQAC

A Webinar on
“Startups and Entrepreneurship: A Sit-down with Firestarter Graduates”
on
10th August, 2021

PURDUE UNIVERSITY

SRI VENKATESWARA UNIVERSITY

Purdue University in partnership with
IQAC, Sri Venkateswara University
through the RUSA program
presents

**STARTUPS AND ENTREPRENEURSHIP :
A SIT-DOWN WITH FIRESTARTER GRADUATES**

Resource Persons

Mr. Bill Arnold

Bill Arnold is Assistant Vice President of Purdue Research Foundation and the Managing Director of the Purdue Foundry, responsible for all Foundry activities related to formation and growth of startups based on Purdue technologies. Prior to joining the Foundry, Arnold served in multiple executive management roles, primarily in the financial services vertical. His most recent role was Chief Executive Officer at Member Support Services LLC, a startup in Cranbury NJ. His first startup was formed in 1995 and had a successful exit in 1997. He holds a master's degree in artificial intelligence from the University of Georgia.

Dr. Jay Shah

Jay Shah recently earned his Ph.D in electrical engineering as a graduate researcher in the Center for Implantable Devices at Purdue University developing a novel closed-loop, implantable electroceutical device for treating glaucoma. Shah co-founded Neurava, which is a medical device company developing a wearable device for epilepsy patients to monitor their risk of sudden, unexpected death. Jay has also worked at LivaNova, a large medical device company that creates vagus nerve stimulators for treating epilepsy and at Bionode LLC, where he helped run and execute clinical trials. He holds a bachelor's degree in Biomedical Engineering from The University of Texas at Austin.

Mr. Vivek Ganesh

Vivek Ganesh is a Graduate Researcher in the Center for Implantable Devices at Purdue University. His thesis Research involves development of a closed-loop, electroceutical device for gastric disorders. While pursuing a PhD in Electrical Engineering at Purdue, Ganesh co-founded Neurava, a medical device startup developing a wearable device for epilepsy patients at risk of Sudden Unexpected Death in Epilepsy (SUDEP). Prior to enrolling in the Doctoral program, Ganesh worked as an Electrical Engineer at a Purdue-based startup, Miftek Inc., as well as at Apple Inc., working on new features of the Apple Watch. He holds a bachelor's degree in Biomedical Engineering, with a minor in Electrical Engineering from Purdue University.

Summary:

As a part of webinar series jointly conducted by Purdue University, USA in partnership with IQAC, S V University through the RUSA Program, the 3rd webinar was conducted on 10th August, 2021 through online mode. Dr. Bill Arnold, Vice President of Purdue Research Foundation and Managing Director of the Purdue Foundry along with Dr. Jay Shah and Mr. Vivek Ganesh, Graduate Researchers of Purdue University addressed the webinar and shared their experiences and views regarding startups and entrepreneurship process that have been ongoing at Purdue University.

Program-5:

**A Webinar on
"Research, Innovations and Rankings"
on
20th August, 2021**

The flyer is for a webinar organized by the Andhra Pradesh State Council of Higher Education (APSCH) in association with Sri Venkateswara University, Tirupati. The event is titled "RESEARCH, INNOVATION & RANKINGS" and is scheduled for August 20, 2021, from 10:30 AM to 12:30 PM. The flyer lists several key figures: Prof. K. Hema Chandra Reddy (Chairman, APSCH), Prof. K. Raja Reddy (Hon'ble Vice-Chancellor, S.V. University), Prof. K. Ramamohan Rao (Vice Chairman, APSCH), Prof. G. M. Sundaravalli (Rector, S.V. University), Prof. O. Mohammad Hussain (Registrar, S.V. University), Dr. Ashwin Fernandes (Regional Director, QS and CEO, QS IGAUGE India), Prof. Govindan Rangarajan (Director of IISC, Bangalore, India), and Ritin Malhotra (General Manager & Regional Director (Asia), Times Higher Education - World University Rankings). The conveners are Prof. S. Vijaya Bhaskara Rao (Dean, R & D, S.V. University) and Prof. T. Gowri Manohar (Director, IQAC, S.V. University). A registration link is provided: <https://forms.gle/b3NurZfDjgiBznZv6>.

Summary:

A webinar on “Research, Innovations & Rankings” was organised by Andhra Pradesh State Council of Higher Education (APSCHE) in association with Sri Venkateswara University, Tirupati on 20-8-2021. The webinar was planned in accordance to National Educational Policy (NEP) by the A.P. State Government. The webinar was presided with the Chief Guests Prof. K.Hema Chandra Reddy, Chairman, APSCHE and Prof. K.Raja Reddy, Hon’ble Vice-Chancellor, S V University, Guests of Honor as Prof. K.Ramamohan Rao, Vice-Chairman, APSCHE, Prof. G.M. Sundaravalli, Rector, S V University and Prof. O. Mahammad Hussain, Registrar, S V University. At first, Prof. O. Mahammad Hussain, Registrar, have welcome the dignitaries of the webinar, Eminent Speakers, Conveners of the program and participants of the webinar. Prof. K.Ramamohan Rao, Vice-Chairman, APSCHE had addressed the webinar participants regarding the new educational policy which has been implementing in the country and Andhra Pradesh State. He noted that the government identified Sri Venkateswara University, Tirupati as one of the Centre of Excellence in Higher Educational Institute (HEI) of the state for funding. Also, noted that there is a huge gap in the research and innovations being done in the universities by the researchers and faculty members and establish advance research centres in the uiversities so as to promote high quality research. Later, Prof. K.Raja Reddy, Hon’ble Vice-Chancellor and Prof. G.M. Sundaravalli, Rector, S V University had addressed that the University stands at higher positions in all the three parameters like Research, Innovations and Rankings among the univeristies of the state and country, emphasized how research and innovations can play an important role in the life of students and university development. Prof. Govindan Rangarajan, Director, IISc, Bangalore, Dr. Ashwin Fernandes, Regional Director, QS Rankings and Mr. Ritin Malhotra, Regional Director, THE Rankings were the resource persons and shared their knowledge regarding the topic. Prof. S. VijayaBhaskar Rao, Dean, R & D and Prof. T.Gowri Manohar, Director, IQAC are the conveners of the program and Prof. T.Ramashri, HoD, ECE acted as a moderator for the event.

Summary:

IQAC conducted NAAC Orientation program for all the faculty members of S V University at Senate Hall on 4/12/2021. The Chief Guest was Prof. K.Raja reddy, Vice-Chancellor and Guest of Honor were Prof. V. Srikanth Reddy, Rector and Prof. O.Mahammad Hussain, Registrar of S V University. Faculty Members from various departments attended the orientation program. The program was coordinated by Prof. T.Gowri Manohar, Director, IQAC and Prof. M.Srinivasulu Reddy, Director, NAAC of S V University. All the dignitaries on the dias addressed the faculty members of the program that S V University stood for the rankings, innovations and research to obtain NAAC 'A+' accreditation and also acknowledged for the 4th Cycle of the NAAC Process. Prof. T.Gowri Manohar, Director, IQAC, S V U addressed that AQARs for the Academic Years 2017-2018, 2018-2019 and 2019-2020 were submitted to NAAC portal successfully and for the AY: 2020-2021 was in the process to complete. The Director, IQAC also thanked all the departments HoDs, BoS Members and Faculty Members for supporting in the process submitting the AQARs. Prof. M.Srinivasulu Reddy, Director, NAAC acted as a resource person and oriented all the faculty members about new NAAC regulations for the Assessment and Accreditation from the year 2020-2021. All the faculty members were keen interest towards the orientation program. At last, the program was ended by the vote of thanks by Prof. T.Ramashri, Head, Dept. of ECE, SVUCE.
