The isolation room will not have mattress or pillow. You will be able to buy a new mattress and pillow on arrival at the isolation hostel, which you will be able to take with you to your final hostel room after the isolation is over (your final hostel room will be double occupancy with shared toilet/bathroom, and you will get a cot, table, chair and cupboard). Please bring bed sheets and pillow covers. Weather may be a little cold during the end of November. Please come prepared for that. Consider staying for a minimum of 10 days within your isolation room and pack. e.g. sufficient dresses to cycle through (laundry by self will be allowed), towels, reading/writing material, toiletries, mosquito repellent and refills, non-perishable snacks (reasonable quantities :-)) etc. Also bring a thermometer (a basic mercury clinical thermometer will do), masks and hand sanitisers. The isolation hostel has no Wi-Fi, but internet is available by LAN – you will need to bring a cable to use it.

**At NISER gate:** Any vehicle that you came by will have to drop you at the gate, even if you come by personal vehicle. Please proceed to the counter marked for re-entering students. Please ensure that you arrive wearing face covers. Security will check your signed self-declaration report, medical certificate, temperature, enter it on the report, and complete any other documentation that might be required. Kindly be patient, and make sure to collect the documents back with the temperature entry.

From the gate directly enter the NISER bus arranged specially for the arriving students. You will be transported to the NISER health centre for collection of medical certificate, the self-declaration hard copy and basic check, and further to the isolation hostel. If you wish, any accompanying person with you will be able to accompany you in the same bus till the isolation hostel, after which the bus will drop them back at the NISER gate. The details of the accompanying person must be provided in the google-form in order to be permitted to do this.

**At the Isolation Facility:** Enter in the register. The information about how to purchase mattress and pillow will be available at the hostel reception/security desk. Check in to the room assigned to you. You will be served breakfast, lunch, evening snacks and supper, and drinking water in your rooms. You will be given food in disposable packing with, in all likelihood, disposable cutlery. You might be more comfortable if you bring your own cutlery. You will bear the cost of the food (approxRs. 150.00 per day), which you will have to settle at the end of the isolation directly with the canteen.

Sanitation and housekeeping of the facility will follow special rules. Any healthcare requirement you might have, whether flu like or otherwise, will also follow special protocols. The summary healthcare protocols have been published in advisories, and

more details are available at the NISER Health Centre website (<https://www.niser.ac.in/healthcentre/>). You will receive detailed information related to all these steps and procedures to follow and contacts that you might need once you are here. Please follow the regulations.

Please arrive with patience and consideration. Since you will be isolated in a hostel for almost 10 days, it may be unpleasant for most. However, this is a necessary process which will ensure that our campus remains free from COVID-19. We all here at NISER earnestly wish we could welcome you in a better way, but we are all constrained by the circumstances.

Have a safe trip.

**N.B.:**

Please go through the detailed instructions again before arriving. Pay special attention to the documents that you need to bring to gain entry at the gate. Please ensure you come with these - there is absolutely no flexibility on this. Without the following you will be denied entry at the gate:

1. It is mandatory to bring with you when you arrive a printed **report of the self-declaration** google form (or a handwritten hard-copy of the undertaking section) signed by the **returnee AND her/his parent/guardian** who will be the emergency contact.
2. It is mandatory to bring with you when you arrive, a **completed medical certificate** in the format prescribed.

- Please make sure that at the NISER main gate you go to the counter with the label "**Ph.D Admissions AND Returning NISER students/fellows ONLY**", and after the checks at the gate, you directly enter the bus arranged for taking you to the health center. At the NISER health center, only the student needs to get down with the documents, any accompanying persons must remain in the bus. From the health center the bus will go to the isolation hostels.
- Any accompanying person getting down with the student at the hostel must get back on to the same bus before the bus leaves.
- At the hostel, collect the envelope in your name from the hostel security. It will contain your room number, key.  
The number to call for a mattress/pillow will be displayed at the hostel reception near the security desk. Those who have expressed interest to purchase mattress and pillow must call the number and inform after receiving the room keys. Mattresses and pillows (cost Rs800) will be delivered to the reception in a short while and you will be called.
- There will be numbers for contacting for various requirements displayed at the hostel reception. Please save those numbers with you before leaving the reception.

Please go through the detailed protocol and come prepared.

Thank You
