

LANDSCAPING WITH TREES AND PLANTS

SVU organizes tree plantation program every year at the College Campus. Faculty and students take part in the Plantation programme. Students and staff enthusiastically initiate and participate in the tree plantation drives on the campus and also outside the campus. Environmental Activities related to arrest the pollution are conducted in collaboration with TMC (Tirupati Municipal Corporation) and other eminent collaborators. SVU has a beautiful landscape with mix of very old trees, middle aged trees, young trees or saplings and herbs and shrubs. The college gardens are well maintained through skilled and experienced persons. Plantation drive: Van Mahotsav is part of every year celebration, while on several other occasions saplings of many different varieties are planted. Students together with NSS volunteers actively participate. Medicinal plants like Neem, Tulasi, Aloe vera etc., and various plants and trees like *Acacia nilotica*, *Tectona grandis*, *Ficus benghalensis*, *Murraya koenigii*, *Pterocarpus marsupium*, *Pterocarpus santalinus*, *Mangifera indica*, *Syzygium cumini*, *Annona reticulata*, *Tamarindus indica*, *Phyllanthus Emblica*, *Cycas beddomei* etc., are seen more in the University.
