Dt: 05.09.2022

To

The Vice-Chancellor,  
Sri Venkateswara University,  
Tirupathi, Sri Balaji District,  
Andhra Pradesh – 517502.

Dear Sir,

**Sub:** Support from APFPS for establishment of state of art NABL accredited Food Testing Laboratory at Sri Venkateswara University, Tirupathi – Reg.,

**Ref:** Minutes of Meeting of State Level Project Screening Committee, Dt: 15.06.2021

Dear Sir,

Kind Attention: Prof. & VC K. Raja Reddy (SVU)

We are pleased to inform your good self that AP Food Processing Society (APFPS) intends to support establishment of state of art NABL accredited Food Testing Laboratory under RKVY scheme at Sri Venkateswara University, Tirupathi. A total grant of Rs. 10 Crores will be provided for establishment of NABL accredited Food Testing Laboratory for laboratory equipments and machinery with civil constructions vide reference cited above. Your Esteemed University is well placed to avail of this facility as your university is offering Food Technology and allied courses at UG & PG level and this advanced facility can be of real assistance for teaching and research. Also, there are innumerable food processing units of all sizes in nearby districts which can facilitate third party testing in the proposed lab which can also be an additional source of revenue to the University.

Sri Venkateswara University, Tirupathi can avail this opportunity for establishment of state of art NABL accredited Food Testing Laboratory under RKVY scheme and you are requested to revert us back on the same in order to initiate further process.

For more clarifications in this regard, please feel free to contact COO, APFPS undersigned by email - [coo.apfps@gmail.com](mailto:coo.apfps@gmail.com) or mobile no. 9676150648.

Thanking you,

Yours Sincerely,

Chief Executive Officer,  
AP Food Processing Society
