Feedback about Resource Persons, topics covered & facilities at HRDC, SVU

* Resource persons are very good and enlightened our's mind with lot of best things. professor's from IIT really enrich our fulfillments in a good manner and they interact with us friendly.

→ Topics are very useful to teaching methods and the way of teaching in higher education mainly team building & micro teaching topic is very helpful.

→ facilities at HRDC is medium. The technician is not available to organise some technical arrangements. So please appoint one technician to HRDC.

Thank you

Feedback about Resource Persons, topics covered & facilities at HRDC, SVU

The refresher course from the start of the day till the end greatly expanded my understanding of mindfulness and gave me great understanding of how it can be used and taught to develop students self awareness, and self management skills after attending Dr. Ramamohan lecture on "Spiritual health".

This is not extra, it is essential for learning and achievement, It gave more deliberate ways to help students besides feeling pressured to give advice or answers after attending sessions especially from Dr. Vanaja on "Cardiovascular health" and "Meditation", Dr. PVGK Sarma on "medical genetics", Dr. Suneeltha on "reproductive health", Dr. Madhavi Role of Physiotherapy to lead healthy life, and
