### Vision

Human Rights and Duties course include subject-specific skills and generic skills, including transferable global skills and competencies, the achievement of which students are able to demonstrate for the award of MA Degree in Human Rights and Duties qualification. It is to develop expertise to:

- Explore the conditions and dimensions of empowering and transformative learning processes;
- Provide an advanced qualification for students wanting to better understand the nature of international human rights in the face of global political, economic, social, legal, ethical and environmental challenges;
- Describe and critique the differing approaches, perspectives, and models of human rights and how they impact the ways in which human rights education is carried out in diverse settings;
- Design, conduct, analyze and present findings using diverse research tools and methods in order to create knowledge and awareness about human rights issues;
- Drawing on critical pedagogies, produce advocacy tools and curricular resources to be used in formal or non-formal educational contexts to address human rights violations;
- Analyze the gap between universal rights and grassroots realities in local, regional and global contexts with attention to issues of power, privilege, and marginalization;
- Identify diverse methodological tools and skills needed to conduct ethical research;
- Synthesize contextual understanding, reflective analysis, theoretical frameworks, and methodological training to inform the production of a thesis and field-based research projects;

### Mission

The Mission of the department is to achieve the following objectives :

- Knowledge – providing information about human rights and the mechanisms that exist to protect those rights;
- Values, beliefs and attitudes – Promoting a human rights culture through the development of these process;
- Action – encouraging people to defend human rights and prevent human rights abuses.
- To necessitate human rights education to evolve strategies and schemes for tackling such attitudes like employing bonded labor, practicing untouchability, perpetrating sati and helpmembers internalize more humane and egalitarian approach in their social relations;
- To work in close cooperation with National Human Rights Commission and other statutory Commissions on Women, Minorities, SC and ST and Linguistic Minorities, NGOs and Media Organizations for promoting Human Rights Education;
- To collect data related to the existing educational and training facilities in the areas of human rights in different parts of the country in general and Andhra Pradesh in particular for designating a need based Master's Doctoral Programmes in Human Rights.
- To provide formal training for students in human rights and social development at the Post Graduate and Doctoral levels; and
- To undertake research into specific and sensitive human rights issues.

### About the Department :

The Department of Human Rights and Social Development was established in December 1997, under the UGC Innovative Programme by upgrading the erstwhile Centre for Studies in Human Rights and Social Development. It has started M.A. P.G. Degree course in Human Rights and Duties in the academic year 2000-2001. Twenty P.G. students are admitted every year through the Directorate of Admissions. The M. Phil and Ph.D. Research Programmes were introduced in the academic year 2006-2007. The Department had organized several National Seminars, and workshops on the various themes of Human Rights. The Department has also organized Refresher Courses and Guest lecture programmes by inviting several eminent resource persons on the themes of Human Rights.
