

Sri Venkateswara University, Tirupati

## Institute of Advanced Study in Education-(IASSE)

### VISION:

- The main vision of Institute of Advanced Study in Education-IASE is to impart knowledge, skills and training in pre-service teacher education (B.Ed) at under graduate level.

### MISSION:

- The Institute is aimed to train the students with professional knowledge in teacher education, teaching skills, in education to equip the students with the solid foundation to build upon the fundamentals, useful skills and expertise that can assist employment in Education field.
- Enlighten the students in several aspects from interdisciplinary approach to multidisciplinary study.

### ABOUT THE DEPARTMENT

The Institute of Advanced Study in Education (IASSE) S.V University was established in 1998, as per New Education Policy - 1986, under the centrally sponsored scheme of Teacher Education by the Ministry of Human Resource Development (MHRD) Govt. of India during IX plan. The main purpose of establishing IASE is to uplift the Department of Education as IASE, to improve the quality of Teacher Education and Secondary Education. To achieve the above objectives the Institute was conducted Pre-Service and In-service Teacher Training Programmes. It was also conducted workshops on Secondary School Curriculum, Guidance and Counseling at Intermediate level. The overall leadership was provided by the Principal and Faculty members in an effective manner. Almost 23 batches of students were successfully completed. Nearly 2300 students were awarded degree. Till 2014-15 the B.Ed course was run as one year programme. After 2015 onwards it was offered as Two year programme. The Curriculum was structured as per NCTE norms. Nearly 80% students were getting jobs in DSC. Some students were getting jobs in private corporate schools and some are getting jobs in other organizations (TTD, Police department etc). A good number of Extension activities, Awareness programmes on Right to Education Act, Stress Management, Study skills etc. were conducted. The institution is extending its services to High school students, Teachers, Head masters, DIETS in terms of In-Service training. To update administrative skills the Staff are encouraged to attend and share their expertise through Seminars, Conferences, Workshops and Faculty development programmes. Future vision of IASE is to offer courses like Integrated B.Ed., B.Ed Special Education and Diploma in Primary Education.
