DEPARTMENT OF POPULATION STUDIES & SOCIAL WORK

A small family is sweet,
but a big family is a crowd
POPULATION

Alone we can do so little ; together
we can do so much.
SOCIAL WORK

VISION

The Department of Population Studies intends to be a Resource Centre for knowledge generation and training point for demographic and family welfare aspects. The Department is also an asset to anticipate skillful social work professionals for social welfare and community development.

MISSION

The Department of Population Studies is a dynamic body for empowering, encouraging and training the young as employable manpower of overall constructive and sustainable development of themselves and the Society through its Teaching, Research, Outreach (Extension) and Training-Campus to Community–activities consistently.

About the Department

The Department of Population Studies came into existence in the year 1973 with generous funding of Family planning Association of India. The department now occupies premier position in the field of Population in India. The department conducts Teaching, Research, Outreach programmes and Training.
