SRI VENKATESWARA UNIVERSITY

EXTENSION ACTIVITIES: 2020

CENTRE FOR WOMEN'S STUDIES

1. UGC Centre for Women's studies organised an **Exhibition on Domestic violence, sexual harassment, child marriage and child abuse** in SV University on **3.1.2020**. In this context Posters, charts and flexi boards were displayed on Domestic violence, sexual violence and harassment, child marriage and child abuse. Many students, teaching and non-teaching staff of the University visited. **200 university students** from various departments of the university attended the programme.

DEPARTMENT OF COMPUTER SCIENCE

2. Public sanitation programme was organised by Department of Computer Science in collaboration with NSS in Regular camp organised on **4.1.2020** . The objective of this programme was to evoke a sense of responsibility among the people about public sanitation and to make the clean city. Public sanitation is related to clean drinking water and treatment and disposal of human excreta and sewage. Inadequate water, sanitation and hygiene account for a large part of the burden of illness and death. **81 students** attended this programme

POPULATION STUDIES AND SOCIAL WORK

3. The Department of Population studies & Social work organises Extension and outreach activities regularly to create **awareness on Population Explosion and population Education** to college students. As this age group will be the future parents creating awareness and clarifying doubts will make them think and helps in planning their families in future. This year this programme was conducted in Sri Lakshmi Narayana college of Education, Karveti Nagaram on **10-01-2020**. **60 students** of this college attended the programme.

DEPARTMENT OF HOME SCIENCE

4. The theme **World Dietetics Day** was celebrated on **21st January** of the year is Time to get your diet plan now. On this occasion an exhibition is organized on healthy menus for the staff and students to bring awareness on healthy diet to prevent diseases. **20 students** attended this programme

DEPARTMENT OF HINDI

5. Awareness programme on **National Voters Day** was celebrated by Department of Hindi in collaboration with NSS-SVUC on **January 24, 2020** across country with the theme of ‘Electoral literacy for stronger democracy’. The objective was to enrich the voter regarding the value of their vote .The NVD is celebrated every year in India on January 25 to mark the foundation day of ECI, which came into being on this day in 1950. The purpose of the NVD is to increase enrolment of voters, especially of the newly eligible ones. The Day is also utilized to spread awareness among voters regarding effective participation in the electoral process. In this connection the Department organised a pledge to renew our commitment to the cause of free, fair, peaceful and participative elections and **15 students** attended the programme.

6. **Voter Awareness programme** was celebrated by the Department of Computer Science in collaboration with NSS-SVUC Regular Camp on **January 25, 2020** across country with the theme of ‘Accessible Elections’. The objective was to raise awareness to all eligible voters to register themselves and use their right to vote to strengthen the democracy. The programme is also utilized to spread awareness among voters regarding effective participation in the electoral process. In this connection the Department organised a pledge to renew our commitment to the cause of free, fair, peaceful and participative elections and **200 students** attended the programme

SRI VENKATESWARA UNIVERSITY

NSS ACTIVITY-2020

7. NSS wing, SV University, Tirupati conducted one day awareness programme on **Drug De Addiction** on **27-01-2020**. Drugs are dangerous to health. Millions of Indians are dependent on alcohol, cannabis, and opiates, and drug misuse is a pervasive phenomenon in Indian society. While most people think that addicts have a choice, in reality, an addict needs professional help because it is a chronic disorder. Drug addiction not only affects the substance abuser but also impacts families. They go through mental stress, face social consequences, and are pushed into financial crisis. The objective of the programme is to make the students aware about ill effects of drug addiction and the need for drug de-addiction. **150 students** participated and conducted Rally to create awareness in the programme.

8. The Department of Population studies & Social work organises Extension and outreach activities regularly to create **awareness on Population Explosion and its consequences** to college students. As this age group will be the future parents creating awareness and clarifying doubts will make them think and helps in planning their families in future. This year this programme was conducted in Siddartha College of Education, Puttur on **28-01-20**. **60 students** of this college attended the programme.

9. The Department of Population studies & Social work organised awareness on **Child Trafficking Free India: Nation Wide Public Dialogue** as part of Extension and outreach activities to create awareness to University students on child trafficking on **06-02-2020** in collaboration with Satyarthi Foundation, New Delhi. The objective was to make aware about the severity of the problems and protective measures to deal with it. The programme was conducted in SV University Arts Block Auditorium. **100 students** of this college attended the programme.

THE DEPARTMENT OF VIROLOGY

10. The Department was organized awareness programme for faculty on viral diseases, detection, prevention and cure on **07th Feb 2020** at virology department , s V University, Tirupati. The students and staff of The Department of Virology conducted demonstrations about the above aspects. Create awareness on immunity and the role of food in improving immunity by displaying the models. **25 students** attended this programme

11. NSS wing, SV University, Tirupati conducted **Clean and Green programme** at campus premises on **11-02-2020**. The Clean and Green campaign aims to protect and care for the environment by engaging the community in leading an environmentally conscious lifestyle. The objective of the programme is to support sustainable human and ecological use and reuse of remediated land; minimize impacts to water quality and water resources; Reduce air toxics emissions and greenhouse gas production; minimize material use and waste production and Conserve natural resources and energy. **100 students** participated and cleaned the area. Later planted trees together.

12. Health awareness programme was organised by Department of Computer Science in collaboration with NSS in Regular camp organised on **12.2.2020**. The objective of this programme was to create General understanding and knowledge about health, healthcare and its services, health needs, diseases, and preventive measures. Awareness plays a key role in our approach to improving access to healthcare. We seek to empower communities, medical professionals and patients with appropriate tools, information and skills so that they can make high-quality, informed decisions on prevention, diagnosis, treatment, care, and support.**31 students** attended this programme.

13. Awareness programme on “Gratitudinal Governance in promotion welfare society” was planned by UGC Centre for women’s studies in association with Indian Institute of Public Administration, Tirupati Local Branch in S V University on **18-02-2020**.The objective was to create awareness on the role of good governance in promotion of welfare society. **50 members** including faculty, representatives from various NGOs and local leaders attended this programme.

14. The Department of Population studies & Social work organises Extension and outreach activities regularly to create **awareness on Population Explosion and its consequences** to college students. As this age group will be the future parents creating awareness and clarifying doubts will make them think and helps in planning their families in future. This year this programme was conducted in Siddhartha College of Education, Puttur on **25-02-2020.60 students** of this college attended the programme.

15. Tree plantation programme was organised by Department of Computer Science in collaboration with NSS in special camp organised on **25.2.2020**. Tree plantation is one of the effective remedial measures to control the air pollution and noise pollution. It also causes aesthetics improvement of the area as well as sustains and supports the biosphere. Tree plantation is important because it provides fresh fruits, vegetables, nuts, and other foods for the survival of life on Earth. Preserving the tree is an obligation for everyone without exception; one tree will absorb approximately a ton of carbon dioxide during the course of its life cycle. Tree planting can restore global warming. **55 students** attended this programme.

16. The Department of Population studies and Social work organised **Basic First Aid Awareness Programme** in the Department on **28-29th February, 2020** in collaboration with Red Cross, Tirupati Local Branch. In this programme Dr. Prasad Executive Member of Red Cross, Prof.VenkateswarluGaru, Secretary, Red Cross attended the programme. They first created the awareness about First Aid and later showed demonstration on how to do first aid in emergencies. **50 students** participated in this programme.

17. NSS unit, SVU College of pharmaceutical sciences in collaboration with NSS wing, SV University and Red Cross society Tirupati organised **Blood Donation Camp** on **3-03-2020**. First awareness programme has been organised to know the benefits of donating blood. Blood donation prevents hemochromatosis, blood cell production, lowers cancer risk and improves heart and liver health. **40 students** participated in this programme.

18. International Womens day was celebrated on **March 8th 2020** in collaboration with SOS, Yerpedu. A nutrition awareness programme was organized for the women to care of their health status. Importance of balanced diets and fellow cost diets were explained to the women. **150 students** attended this programme

19 “World Consumer Rights Day” was organized on 14th March 2010 in room no 133, department of Home Science. The programme was organized in Collaboration with IIPA (Indian Institute of Public Administration) Tirupati Local Chapter, S. V. University, Tirupati. Prof Lakshmma, vice chirman, APSHE, P. Raja Reddy, President, Chittoor District Consumer Council. M. Srinivasulu, President, Consumer Education Society, Dr. K. Manjula, Head, Dept. of Home Science, and Prof. A. Ranga Reddy, Chairman, IIPA, Tirupati, Local Branch were occupied the Dias. **85 students** attended this programme

20. Centre for Women Studies, S. V. University, Tirupati organised an **Awareness programme World Consumer Rights Day-The Sustainable Consumer** on **15-03-2020**. very year on March 15, World Consumer Rights Day is commemorated to safeguard consumer rights and to ensure that customers are not subjected to market exploitation or social injustice that may jeopardize their rights. The consumer movement marks 15th March with World Consumer Rights Day every year, as a means of raising global awareness about consumer rights and needs. Celebrating the day is a chance to demand that the rights of all consumers are respected and protected, and to protest against market abuses and social injustices which undermine those rights.

World Consumer Rights Day was inspired by President John F Kennedy, who sent a special message to the US Congress on 15th March 1962, in which he formally addressed the issue of consumer rights. He was the first world leader to do so. The consumer movement first marked that date in 1983 and now uses the day every year to mobilise action on important issues and campaigns. **100 students** attended the programme.

21. The Department of Population studies and Social work organised **World Social Work Day** on **17th March 2020** on the theme 'Promoting the Importance of Human Relationships'. This is the fourth and final theme of the 2010 to 2020 Global Agenda for Social Work and Social Development. This theme was established to build international focus on the interdependence of people and the need for change in policies and social service delivery. This theme highlights that co-determining relationships between people, communities, and nations are essential in addressing the social, economic and ecological challenges. Drawing on the core skills of bringing people together to balance needs in celebrated diversity, social work has a significant and essential contribution to make in every society. An awareness Programme was conducted on the theme for the students to make them understand the relation between human relationships and Sustainable future. **90 students** and research scholars participated in this programme.

DEPARTMENT OF PHILOSOPHY

22. The Department of Philosophy in collaboration with NSS participated in special camping on **April 16th 2020**.
