

List of Ph.D. Thesis guided:

S.No	Name of the Student (Roll No.)	Title of Thesis	Year of Registration	Status
1	S.Sumalatha(Part-Time) Sathyabama University	Channel Capacity improvement in Wireless communication	January, 2009	Awarded Sep. 2015
2.	N.Gireesh (Part -Time)	Design and Performance Studies on Different Controllers for Control of Nonlinear Process	July, 2010	Awarded Aug. 2016
3.	T.ChandrasekharRao (part -Time)	An Automated Tool for Segmentation and Classification of Brain Tumours in Magnetic Resonance Images	July, 2010	Awarded November 2017
4.	A.Pulla Reddy(full-time)	A Study of Different Circuit Techniques for SRAM in Nanometer technology	January, 2014	Awarded November 2018
5.	K.Sateesh Kumar(full-time)	A Systematic Approach to Estimate Crop Yield using NOAA/LANDSAT 8 Satellites Data through Dual-Tree Complex Wavelet based Denoising and Enhancement Techniques	March, 2015	Awarded June 2019
6.	M.Dharani(full-time)	Object Identification based on Feature Extraction from Multispectral satellite Images Using Principle component Analysis	January.2016	Awarded Sep. 2020
7.	B.Sudharani (Part –Time)	Area of research is performance enhancement in VLSI design	January, 2014	Awarded Dec.2021
