

DETAILS OF GUEST LECTURES/ RESOURCE PERSON

1. Delivered a Guest lecture on Adaptive Signal Processing on 23-04-2006 in the department of Sri Venkatesa Perumal College of Engg., & Technology, Puttur.
2. Resource person for one day workshop on “Transformation techniques in signal processing conducted by the department of ECE, Sri Venkatesa Perumal College of Engg., & Technology, Puttur.
3. Delivered a guest lecture on “Adaptive Signal Processing and its applications”, on 11th and 12th Aug’2006.
4. Delivered a guest lecture on “DSP Processors and architecture” to ECE Staff and Students at PBR VITS, Kavali during National conference on 22-12-2007.
5. Delivered Keynote Address on topic “Recent advances in Mechtronics” in the National Seminar on 13th March’2008 conducted by the Dept. of ECE, Kuppam College of Engg., Kuppam.
6. Delivered a guest lecture on the topic during Faculty development Program (FDP) on “Recent Trends in RADAR & ITS Applications” at PBR VITS Kavali, during 30-3-2008 to 31-3-2008.
7. Resource Person for faculty development Program on “Filter designing Techniques” conducted by the department of ECE, Sri Venkatesa Perumal College of Engg., & Technology, Puttur on 06-06-2008.
8. Delivered a guest lecture on the topic “Trends in digital Signal Processors” at P B R VITS, Kavali, during National Conference on “Recent Trends in Digital Signal Processors” held on 22nd Dec.2008.
9. Delivered guest lectures on “**Algorithms in Adaptive Signal Processing & Recent trends in Radar Signal Processing**” on 9-5-2008, under the auspices of Short Term Training Program on Advanced Signal processing and Applications during 5th May’08 to 9th May’2008 at N B K R Institute of Science & Technology ,Vidyanagar.
10. Delivered guest lecture on “**Small & Medium Scale Electronic Industries in India**” on 14th May 2008 at N.B.K.R. Institute of Science & Technology, Vidyanagar, under the auspices of Faculty awareness camp on Entrepreneurship during 12-14th May’2008.
11. RESOURCE PERSON for two day National Workshop on “Digital Imaging: Trends & Perspectives” during 19-20 Dec’ 2008, Dept. of ECE, JNTU, Anantapur.
12. RESOURCE PERSON for one day National workshop on “Radar Technology & Signal Processing Techniques” on 18th Sept.2008 at Sri Venkatesa Perumal College of Engg., & Technology, Puttur.

13. RESOURCE PERSON for one day National workshop on “Recent trends in Signal Processing using Wavelets & Embedded Systems” on 27-1-2009 at PBR VITS, KAVALI.
14. RESOURCE PERSON for one day National workshop on “Transform Techniques in DSP” held at KSVM College of ENGG., KADAPA on July’4th, 2009.
15. RESOURCE PERSON for two day AICTE Sponsored two day National level Workshop on “DSP Controlled Power Electronic Systems & Applications” during 10-11 July’2009. Dept. of EEE, SVCET, Chittoor.
16. RESOURCE PERSON for two day National Workshop on “Advances in Electromagnetics & Signal Processing”. 20-21 March’2009. Dept. of ECE & EI, Baptla Engg. College.
17. Delivered keynote address in inaugural ceremony of “Association of ECE” on “Signal Processing” on 23-09-2009 at Shree Institute of Technical Education, Tirupati.
18. RESOURCE PERSON for one day National workshop on “EMERGING TRENDS IN IMAGE PROCESING” 31ST MARCH.2010. S .K.U. ANANTAPUR.
19. GUEST LECTURE on **Evolution of Electronics** in Visvodaya Engg. College, KAVALI on 8-2-2010.
20. Guest Lecture on “Application of Signal Processing in Biomedical Engineering” in the department of ECE on 12th Aug’2010 at Shree Institute of Technical Education, Tirupati.
21. Delivered Keynote Address on topic “Recent advances in VLSI” in the National level Conference on VLSI Design Communications on 27th & 28th Jan’2011, conducted by Dept. of ECE, Kuppam Engg College, Kuppam.
22. Delivered a lecture in the Faculty Development Program on “Signal Processing” as RESOURCE PERSON conducted on 07-0-2011 at Shree Institute of Technical Education, Tirupati.
23. Delivered Keynote Address in the International Conference on “Recent Trends in Electronics & Commns”, during Jan’2012, held at GNIT, Hyderabad.
24. GUEST lecture on “Signal Processing in Instrumentation” on 09-02-2012 at Sree Vidyanikethan Engineering College, Tirupati.
25. Delivered Keynote Address in the International Conference on “VLSI & Embedded Systems”, during Nov’2013, held at Kakatiya University, Warangal.
26. Delivered Expert Lecture on “Advances in Radar Technology” at Defense Institute of Advanced Technology (DIAT), PUNE on 23rd July’2015.
27. Delivered Keynote Address on “Atmospheric Science and Remote Sensing Applications” in The FDP conducted by NIT Warangal during Feb’2016 at NIT Warangal.

28. Delivered Keynote Address on “Applications of L-Band Receiver for Remote Sensing Applications”, in The FDP being conducted by NIT Warangal during Aug’2016 at Vasavi Engg. College, Tadepalligudem, AP.
29. Delivered Expert lecture on “Development of Smart Devices for Societal Problems” in the workshop conducted by Velagapudi Ramakrishna Siddhartha Engineering College, Kanuru, Vijayawada, A.P. on May 7th 2019.
30. Delivered Expert Lecture on New Education Policy at Acharya Nagarjuna University, July’2019.
31. Delivered a Guest lecture on “*Internet of Things*” in Guru Nanak institutions technical Campus, Hyderabad, Telangana. on 16 march 2021.
32. Delivered a Guest lecture on “Energy Harvest in WSNs” in Guru Nanak institutions technical Campus, Hyderabad, Telangana. on 17 march 2021.
