DIRECTORATE OF DISTANCE EDUCATION

(Entitled as Category-I Higher Educational Institution)

ACADEMIC SESSION ::2022-23

COMMON PROSPECTUS

1.0 General Instructions to the Students

1.1 INTRODUCTION

Education is a life-long process. It does not stop at any particular age. The conventional system of education was proved inadequate to accommodate the growing needs of the Indian Society. Therefore, the system of Distance Education has emerged as an effective alternative channel to the conventional system of education. Distance Education system caters to the needs of those who cannot pursue formal college education and those who wish to improve their knowledge and skills.

Main Objectives of Distance Education Institutions

- a) To provide higher educational opportunities to the people who were deprived of the same earlier.
- b) To promote professional efficiency for the in-service candidates.
- c) To meet the challenges of changing needs of the society in a global era.
- d) To provide wider opportunity to the youth who are not able to join in regular colleges due to various reasons
- e) To provide high quality University education with minimum expenditure.

With the above mission, S.V University introduced Correspondence Courses in the year 1972 to extend the frontiers of academic excellence beyond its campus. This Institute of Correspondence Courses (ICC) was upgraded as Directorate of Distance Education (DDE) in April 1995 as per the UGC norms.

At present, the Directorate of Distance Education is offering **M.A** : Telugu, English, Hindi, Economics, History, Political Science & Public Administration and Sociology, Master of Social Work. **M.L.I.Sc. M.Sc.:** Physics, Chemistry, Zoology, Botany, Psychology, Mathematics and Computer Science. **M.Com., M.Com (FM), and M.B.A (3-years).** **UG:** B.A., B.Sc (Computers, Mathematics, Statistics, Physics & Electronics, Chemistry, Botany) B.Com.(General), B.Com (Computers), B.L.I.Sc.

P.G. Diploma Courses: Industrial Relations & Personnel Management and
Guidance & Counselling.

Lateral Entry System: Lateral entry is also possible for those UG, PG Students of S.V.U., who discontinued their regular stream of education in annual mode/ yearly pattern in consultation with DDE.

1.2 Salient features

- a) Paper-wise pass system for all courses.
- b) Transfer Certificate (TC) is not required for admission into any course.

1.3 Facilities Available at the DDE.

a) Location :

The DDE is located within the University campus and one can be reached from the University main gate (Golden Jubilee Arch) via Srinivasa Auditorium.

2.0 POST-GRADUATE PROGRAMMES

2.0 COMMON INFORMATION RELATING TO COURSES OFFERED BY D.D.E.

a) Mode of Payment of fees

Candidates seeking admissions into the course have to pay the fee amount as stated against the programme through mode of online payment only.

b) Medium of Instruction

The medium of instruction for PG programmes will be in English only except for M.A Telugu and Hindi programmes.

c) Study Material

The Directorate of Distance Education will supply the study material to all the students. Study Material is in English Medium only except for Telugu and Hindi programmes. The students enrolled through SVU DDE Study Centers should obtain the study material from their respective study centers only.

d) Contact Programme Classes

The DDE will organize useful 12 days contact programme classes for all M.A./M.Com. Programmes by experienced faculty for both previous and final year students separately. For science programmes refer the concerned subject page for details. CPC of 30 days is compulsory attendance for science courses held at nodal center, Tirupati only.

e) Examination Pattern

At the end of each academic year i.e., First Year and Second Year, the students have to appear for the examinations conducted by the University. The examinations will be conducted once in a year. Each paper carries maximum marks of 100 (University examinations for 80 marks and internal assessment through assignments for 20 marks). To declare pass for PG Degree, a candidate has to pass all the papers. In each paper a candidate has to secure 35% of marks in university examinations i.e.. 28 out of 80 marks and 7 marks out of 20 marks for those courses which have internal assignments and an aggregate of 40% of marks. The internal assessment through assignments of 20 marks facility available for M.A., (All subjects) M.Com., M.B.A. and M.Sc. Mathematics programmes only. For other courses there are practical examinations instead of Internal Assignments.

f) Paper wise pass system

There is paper-wise pass system for all the Programmes offered by Directorate of Distance Education. Paper-wise pass system means, if any candidate got fail marks / absented in a particular paper/ papers, such candidate need not write all papers again. But he/she has to write only that particular paper/ papers in which he/she failed and has to get 40% marks in each paper for passing the degree.

g) Validity of Admission: A candidate who seeks admission into any Programme offered by DDE is allowed up to **FIVE** years only to complete the programme from the year of enrollment. If they failed to complete within the stipulated period of **FIVE** years time his/her admission become invalid. Later candidate has to seek fresh admission into the programme. The candidate can appear for theory papers at any time either as a *whole or a part* of the examinations within the stipulated period of FIVE years only.

h) Assignments:

All the admitted candidates have to write the assignments, which carry 20 marks in each paper both in Previous and Final years. The assignment question papers can be downloaded from our DDE website. All the assignment note books should reach the O/o the DDE, SVU, Tirupati **before** the stipulated time notified by the DDE every year, but not later than the last day of the registered examination concerned. Failure in submitting the written assignment note books within the stipulated time will never be considered for future and will forgo the assignment marks to be added to the theory marks forever.

Strict Note: The candidate must submit the internal assignments of all papers of that respective year (either previous or final) at a time as a whole when they **FIRST** appear for the theory examinations within 5 years time of validity of your admission period. If any candidate submits his/her assignment books after the announcement of results the candidate has to pay a fine of Rs. 2500/- by 'E'-Challan. To avoid all the risks, he/she has to submit his/her assignments within the stipulated time notified by DDE.

However, candidates who have offered Mathematics only as a subsidiary or additional subject in B.Sc. / B.A. / B.Tech., are not eligible for admission into this course. The candidates who have passed the qualified examinations either by regular/instant or advanced supplementary examinations on or before 31st July, 2022 are only eligible to apply for the present academic session of 2022-2023.

b) Medium of instruction: English only

c) Duration of the programme: 2 years.

University examination 80 marks and Assignment 20 marks for each paper.

Papers for First Year

Paper - I - Algebra - 1

Paper - II - Real Analysis

Paper - III - Differential Equations

Paper – IV - Computing Techniques

Paper – V - Complex Analysis

Papers for Second Year

Paper - I - Infinite Mathematics and Galois Theory

Paper - II - Topology and Functional Analysis

Paper - III - Operations Research

Paper - IV - Analytic Number Theory

Paper- V - Mathematical Statistics

2.10 M.Sc. COMPUTER SCIENCE

a) Eligibility for Admission

The candidates who have passed (i) B.Sc. Computer Science (ii) B.A. Computer Applications, (iii) B.Com. Computer Applications (iv) B.Sc. Computer Applications (v) Any degree with PGDCA one year (vi) B.E./B.Tech. and (vii) BCA course are eligible. The candidates who have passed the qualified examinations either by regular/instant or advanced supplementary examinations on or before 31st July, 2022 are only eligible to apply for the present academic session of 2022-2023.

Duration : 2 YEARS

d) Mode of Instruction

1. Study Material: The Directorate of Distance Education supplies Text Books to all the students.
2. Contact Programme Classes : The DDE will organize useful 15 days Contact Programme Classes by experienced Faculty for each year. Attendance to the Contact Programme Classes is compulsory.

e) **Examination Pattern**

At the end of each academic year the students have to appear for the examinations conducted by the University. Each paper carries maximum marks of 100. To declare pass for M.Sc. Degree, a candidate has to pass all the papers. In each paper a candidate has to secure 35 % of marks and an aggregate of 40% marks. The University has introduced paper-wise pass system for all the courses of Directorate of Distance Education. Paper-wise pass system means, if any candidate got fail marks / absent in a particular paper / papers, such candidate need not write all papers again. But he / she has to write only that particular paper / papers in which he / she failed or absent and get 40% marks in each paper for passing the degree

2.11 M.Sc. Physics

a) Eligibility for admission

A candidate seeking admission into the M.Sc. Degree in Physics shall be required to have passed B.Sc. degree with Physics and Mathematics of this University or its equivalent thereto. The candidates who have passed the qualified examinations either by regular/instant or advanced supplementary examinations on or before 31st July, 2022 are only eligible to apply for the present academic session of 2022-2023.

Duration of the course : 2 years

Papers for the First Year

Paper –I	- Classical Mechanics and Statistical Mechanics	80
Paper-II	- Electromagnetic Theory, Optics and Spectroscopy	80
Paper-III	- Elementary Solid State Physics	80
Paper-IV	- Electronic Devices and Circuits	80
Paper-V	- Mathematical Methods of Physics	80
Laboratory (General -I)		80
Laboratory (Electronics -II)		80
Records		20
Viva-Voce		20
	Grand Total	600

Papers for the Second Year

Paper –I	- Quantum Mechanics	100
Paper-II	- Nuclear Physics and Analytical Techniques	100
Paper-III	- Special Paper-I(Condensed Matter Physics)	100
Paper-IV	- Special Paper-II (Electronics)	100
Laboratory (Special) I		80
Laboratory (Special) II		80
Records		20
Viva-Voce		20
	Grand Total	600

c) Special Papers in Final Year

- Condensed Matter Physics
- Electronics

d) Medium of Instruction: English

e) Mode of Instruction

1) Study Material

The Directorate of Distance Education will supply the study materials for all the students. Study materials are in English Medium only.

2) Contact Programme Classes

The DDE will organize useful 30 days contact programme classes by experienced faculty for both previous and final year students separately. Attendance to the contact programme classes is compulsory. The contact programme classes and practical examinations will be held at nodal centre Tirupati only.

f) Examination Pattern

At the end of each academic year i.e., First year and second year the students have to appear for the examinations conducted by the University. The examinations will be conducted once in a year. Each paper carries maximum marks of 80 in First year and 100 in Second year. To declare pass of M.Sc. Physics degree a candidate has to pass all the papers. In each paper a candidate has to secure 35% of marks and on an aggregate of 40% marks.

Any candidate who fails in the University examination in any paper/absent in any particular paper or papers, he/she has to appear for that paper(s) and secure pass marks of 40%. He/she need not appear for the entire examination.

2.12. M.Sc. CHEMISTRY

a) Eligibility for admission

A candidate seeking admission into the M.Sc. Degree in Chemistry shall be required to have passed B.Sc. degree of this university with Chemistry as one of the subject in the group subjects or its equivalent thereto. The candidates who have passed the qualified examinations either by regular/instant or advanced supplementary examinations on or before 31st July, 2022 are only eligible to apply for the present academic session of 2022-2023. In First year there is common syllabus for all the students. In the second year student has to choose one of the specialization, so he has to select his specialization and fill in the application itself at the time of submission of application.

b) Duration of the Programme : 2 years

Papers for the First Year

Total Marks = 500

Paper-I	Inorganic Chemistry	80 marks
Paper-II	Organic Chemistry	80 Marks
Paper-III	Physical Chemistry	80 Marks
Paper - IV	General Chemistry	80 marks

Practical Examinations

Paper-I	Inorganic Chemistry	60 Marks (Practicals 50 + Records 10)
Paper-II	Organic Chemistry	60 Marks (Practicals 50 + Records 10)
Paper-III	Physical Chemistry	60 Marks (Practicals 50 + Records 10)

Specializations for the Second Year

1. Organic Chemistry
2. Industrial Chemistry
3. Analytical Chemistry

Theory Examination : 4. Papers in each specialization and 80 marks for each paper

Practical Examination : 2 Practicals, each practical for marks 75

: Records 20 Marks

: Viva-Voce 10 Marks

c) Choice of Specialization

The choice of specialization for second year (Organic Chemistry/Industrial Chemistry/Analytical Chemistry) shall be mentioned in the application at the time of admission itself. Further changes are not allowed.

d) Medium of Instruction: English

e) Mode of Instruction

1) Study Material

The Directorate of Distance Education will supply the study material for all the students. Study materials are in English only.

3.1 B.A. / B.Com. (General) Programmes

Important instructions to read before fill the application:

I. Admission into I year B.A./B.Com. Programmes

Admission into I year B.A./B.Com. Programmes are under two streams.

a) Regular system

10+2 / Intermediate pass or 3 year Polytechnic Diploma holders are also eligible to join in 1st year. The candidates who have passed the qualified examinations either by regular/instant or advanced supplementary examinations on or before 31st July, 2022 are only eligible to apply for the present academic session of 2022-2023.

II. Admission into II year and III year Degree (Lateral entry)

Students of S.V. University who have completed I year or II year examination of UG-BA, B.Com, B.Com Computers, B.Sc (with the combination of groups that are being offered) who studied in yearly pattern system in the affiliated Colleges of S.V. University are eligible to get admission into II year or III year degree respectively and students of D.C.C.P (3 yrs) can take admission in to B.Com II year.

III. COURSE OF STUDY

The programme of study for the degree (B.A/B.Com.,) shall be in two parts.

Part-I: It is common for B.A. and B.Com degrees.

- a) First language,(English)
- b) Another language(Telugu) (Second language)
- c) Foundation Course
- d) Introduction to Computers

Note 1:
