About SRI VENKATESWARA UNIVERSITY COLLEGE OF ENGINEERING

Pandit Jawaharlal Nehru, the first prime minister of India, laid the foundation stone for the S.V.U. College of Engineering on 13th October, 1959. In the last sixty years, it has become a premier technological institution in India due to untiring efforts of faculty and students. At present, the college offers 4-year B.Tech degree courses in six disciplines and 5-year Dual Degree program and 2 year PG courses with 11 different specializations. The college provides a scope for the overall personality development of the students. The success of this institution is based on continuous maintenance of quality in technical education and a crystal clear vision for the future.

About CIVIL ENGINEERING DEPARTMENT

The Department of Civil Engineering. Leading among all the other departments, was introduced in1959 with under-graduate coarse. The post-graduate course was then introduced in 1972 along with research program in GeoTechnical Engineering, Hydraulic and Water Resources, Structural Engineering and Environmental Engineering. Many Internantional/National Conferences, Seminars, Workshops and other continuing education programmes have been organized by the department. And now the department of Civil Engineering, being the largest, stands first in innovation.

ABOUT **CrEAdors** :

CrEAdors, a multi faceted technical fest organized by Civil Engineering Association(CEA) to bring out the real talent of students. Innovation unleashes dreams beyond imagination. This takes student to a new world with exciting events, unbelievable experienced, tantalizing quizzes and feet tapping brain teasers. So, come, join us, feel every moment with great enthusiasm and get certified. CrEAdors gives opportunity to shape the world we live in and one can make the best use of this experience to mold your self still better.
