SVU LIBRARY

Date for the period from 01-07-2023 to 30-06-2024 4.2 - Library as a
Learning Resource

4.2.1. Library is automated using Integrated Library Management System (ILMS) and has digitisation facility

SVU Library is completely automated for its in-house operations by using SOUL (Software for University Libraries). The computerized sections are Circulation, Acquisition, Technical processing, and Catalogue. In Circulation section, book issues and returns are computerized using SOUL software (Software for University Libraries) . Computerized library ID cards are issued to various categories of users viz., Students, Research Scholars and Faculty Members. S.V.University Library is a participating member of UGC E-ShodhSindhu and E-Shodhganga Programme. In order to provide access to these e-resources, library has established a Digital Library with a provision to accommodate 40 users at a time. Wi-fi facility is also available in all corners of SVU Library.
