5.3.1 - Number of awards/medals won by students for outstanding performance in sports/cultural activities at inter - university/state/national/international events (award for a team event should be counted as one) during the year

The university encourages the participation of student representatives in various decisions making, academic and administrative committees, this enables them in acquiring better academic environment. Student opinions and suggestions are considered to take measures in view of students' perception. University puts efforts for the all-round development of a student. It contributes to educational spirit and community welfare. It is the voice of student body which help share student ideas, interests, and concerns of education with the community. They often also help raise funds for institution wide activities such as social events, community projects and reforms. They also participate in public function, cultural activity, sports, debates and various competitions.
