

5.4.1 - The Alumni Association/Chapters (registered and functional)contributes

significantly to the development of the institution through financial and other support services during the year

The Alumni plays an indispensable and active role in the day-to-day functioning of the institution, contributing across various dimensions. Firstly, their involvement extends to motivating freshly enrolled students, sharing their experiences, and serving as inspirational figures, fostering a positive learning environment. Additionally, alumni contribute significantly to in-house curriculum development, infusing real-world insights and industry relevance into academic programs.

Beyond the confines of traditional classroom activities, alumni take the lead in organizing various extracurricular events and activities. This not only enriches the overall campus experience but also provides students with a holistic development platform. Moreover, alumni actively support curriculum delivery by offering guest lectures, workshops, and practical insights, bridging the gap between academia and industry.

Mentoring emerges as another crucial aspect, where alumni provide guidance and advice to students, helping them navigate academic challenges and career decisions. Financial contributions from alumni play a pivotal role in the institution's growth, funding infrastructure development, scholarships, and research initiatives. Lastly, alumni offer valuable placement advice and support, leveraging their professional networks to facilitate job opportunities for current students. In essence, the active involvement of alumni in these multifaceted capacities significantly enhances the overall institutional ecosystem. The alumni act as a rich source of updating the curriculum.
